

Connect2Help211 Helps Morgan County Residents Prepare for Winter

HELP

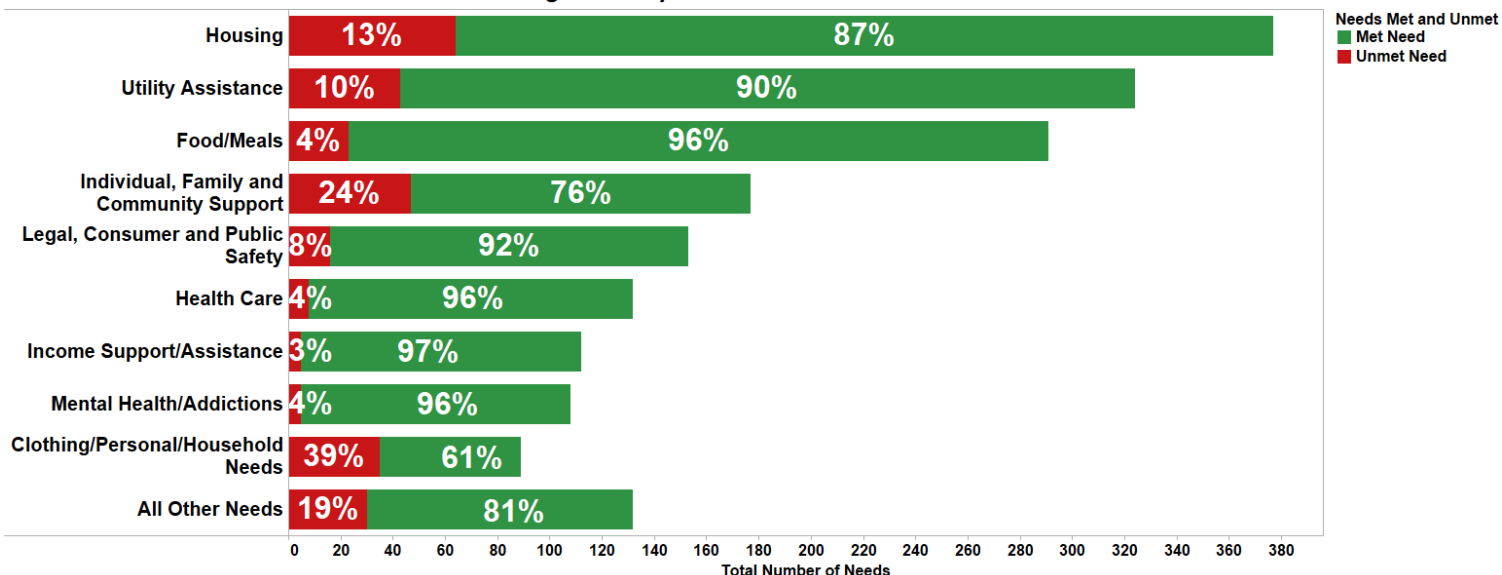

EMERGENCY

I Have NO HEAT!

Autumn brings colder temperatures, and for many Hoosiers, that means a struggle to get or keep their heat on for the coming winter. **Connect2Help211**, your 2-1-1 service provider for **Morgan County**, helps thousands of vulnerable Hoosiers connect to the local agencies that administer the Energy Assistance Program. The Energy Assistance Program (EAP) provides financial assistance to low-income households to maintain utility services during the winter heating months. Without this assistance, many Hoosiers would not be able to stay in their homes once the temperatures drop below freezing.
